Adobe Reader:

 You will need the Adobe Reader (provided free of charge) to view PDF files. For more information about getting your free copy of the Adobe Reader, visit WisDOT's Software information page at:

<http://www.dot.wisconsin.gov/util/software.htm>

Adobe Reader Settings: Each computer that will be using e-MV11 will need to have the Adobe Reader settings adjusted prior to processing. This allows you to process consecutive applications without logging back into the application.

1. If you have Windows, click on **Start** and select **Programs**. If not, go into your computer's list of programs.
2. Click on **Adobe Reader**.
3. Click on **Edit**.
4. Click on **Preferences**.
5. Depending on which version of Adobe you have, select either **Options** or **Internet** from the list on the left side of the window.
6. **Unclick the first box** - Display PDF in browser.
7. Click on **OK**.
8. Exit Adobe Reader.
