

What is the Employer Notification Program?

The Employer Notification Program provides employers with current information regarding the driving record of their employees who operate commercial motor vehicles.

A copy of the employee's driver record abstract is mailed to the employer whenever an accident conviction, suspension, revocation, cancellation, disqualification, or out of service order is recorded. In 2006, 26,700 driver record abstracts were mailed under this program.

Who can belong to the Employer Notification Program?

Any employer who owns or leases commercial motor vehicles or assigns a person to drive a commercial motor vehicle can belong to this program. Employers of non-commercial drivers are not eligible.

In 2006, 1,365 employers were involved in the program, covering a total of 58,666 commercial motor vehicle drivers.

What does it cost?

The annual fee is \$20 plus \$2 for each employee enrolled in the program. In addition, the employer is billed \$5 for each abstract that is generated. An employer can withdraw employees from the program at any time without incurring a fee.
