Complete an application for a Wisconsin driver license/identification card:

- Sign and date the reverse side of your driver license or identification card
- Specify all or only specific parts/organs

NOTE: An orange sticker can also be placed on the license to alert medical personnel.

Sign and date the reverse side of your driver license/identification card:

- Specify all or only specific parts/organs
- When you renew your driver license/identification card mark “yes” on the application to the organ donor question

**How do I amend the donor statement?**

Apply for a duplicate driver license/identification card:

- Pay \$4.00 (driver license) or \$6.00 (ID card)
- Sign and date the reverse side of the driver license
- Specify all or specific parts/organs

**What if I change my mind about being a donor?**
