

Who can be an organ donor?

Anyone can be an organ donor. The anatomical Gift Act in s.157.06(2) requires persons 15 and one-half years of age or older to indicate if they wish to be a donor.

How do I indicate that I want to be an organ donor?

Complete an application for a Wisconsin driver license/identification card:

- Mark “yes” to the organ donor question
- When you receive your license, sign and date the reverse side of your driver license or identification card
- Specify all or only specific parts/organs

NOTE: An orange sticker can also be placed on the license to alert medical personnel.

What if I decide to become a donor after I leave the DMV station?

Sign and date the reverse side of your driver license/identification card:

- Specify all or only specific parts/organs
- When you renew your driver license/identification card mark “yes” on the application to the organ donor question
- NOTE: An orange sticker can also be placed on the license to alert medical personnel.

How do I amend the donor statement?

Apply for a duplicate driver license/identification card:

- Pay \$14.00 (driver license) or \$16.00 (ID card)
- When you receive your license, sign and date the reverse side of the driver license
- Specify all or specific parts/organs

What if I change my mind about being a donor?

Cross out the donor statement on the reverse of the driver license/identification card.

Does DMV keep an organ-donor registry?

No, the Division of Motor Vehicle records only indicate that the person is a potential donor.
