ID CARD USE

A person who displays a Disabled Parking Identification (DIS ID) Card on their vehicle (except motorcycles and mopeds):

- ◆ Is exempt from any parking ordinance imposing time limits of one-half hour or more, but is otherwise subject to the laws relating to parking;
- ◆ Can park at a municipally-owned/leased lot without payment in **metered spaces** when the time limit is one-half hour or more;
- ◆ May park in spaces marked by official traffic signs reserving the space for vehicles displaying VET or DIS plates or DIS ID cards;
- ◆ Upon request, a driver who is disabled may obtain fuel from a full-service pump at the same price as fuel from a self-service pump. This applies at locations where fuel is sold at retail from both full and self-service pumps. The retailer is not required to provide any other service that is not provided to customers who use a self-service pump.

INFORMATION

Individuals with a permanent disability are issued a blue DIS ID card that **must be renewed every 4 years**.

You MUST keep a copy of this completed application and provide it for inspection on request by any traffic officer. Make and keep a copy before submitting application to WI DOT.

If you are a licensed driver, the Department will review your disability relating to your ability to exercise ordinary and reasonable control over a motor vehicle. **If the certifying health care specialist recommends a re-examination, you will be required to complete a knowledge, highway signs and road test to determine appropriate license restrictions.**

DIS ID cards are valid in all 50 states and Puerto Rico.

UNAUTHORIZED ID CARD USE

Any person who sells or lends a DIS ID Card to someone who is not authorized by law to use it, may be fined up to \$300 and may have the card confiscated. The Department may cancel the DIS ID Card of any person who improperly uses it.

Operating a motor vehicle when the DIS ID card is left hanging from the rearview mirror is prohibited. Failure to remove the card when operating the vehicle creates an obstruction to a driver's clear view through the front windshield pursuant to s.346.88(3)(b) Wis. Stats. Violators may be required to forfeit not less than \$20 nor more than \$100.

The Department may cancel a DIS ID card which was issued as a result of fraud or error.

RELEASE OF NONEXEMPT INFORMATION

The Wisconsin Department of Transportation uses the information on this form to issue disabled parking identification cards. Under open records laws, the Department must make nonexempt information available upon request.
